

WEEKLY UPDATE

10/21/20

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility. Since the onset of this virus, we have had 1 resident and 7 staff members test positive for COVID-19.

As you might be aware, and as we have previously communicated, CMS has distributed guidance for nursing facilities to allow visitors. While we are so excited to for you to see your loved ones and to have you back at our facility, there are many factors that determine when a facility can open up for visitors, up to and including our county's COVID-19 positivity rate, residents' health status, or if there is a COVID outbreak in the facility. We have begun "essential caregiver" visits. Families who qualify have been notified. We were approved for plexiglass and open window visits but because we had a positive case, it was rescinded. We qualify to reapply on Friday. We will update you as soon as we are approved. Please be assured we are working hard to create visitation plans that will allow you to visit your loved ones as soon as possible.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 254-831-6200.

Sincerely,

Wendy Bell
