

WEEKLY UPDATE

April 19, 2021

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility. We currently have no residents or staff members positive for COVID19.

We continue to follow the recommended COVID19 testing schedule. Our last COVID19 testing was performed on April 8, 2021. Testing frequency has now changed to monthly based on the recommendations of following the county positivity rate. We continue to screen employees and staff and test as needed on site.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 254-831-6200.

Sincerely,

Wendy Bell, LNFA
