

WEEKLY UPDATE

June 16, 2020

Dear Residents and Families/Representatives,

We want we want you to know that the staff at Creekside Terrace Rehabilitation continues to work hard to keep our residents safe and we are still following all recommendations of our federal, state and local health officials to prevent the spread of COVID-19.

CURRENT COVID STATUS

We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility. We tested all residents and staff on May 21-22, 2020. Our results indicated negative results for all staff and negative results for all residents.

WHAT CREEKSIDE IS DOING

- Only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering.
- Our residents are continually monitored and staff is using PPE as recommended by the CDC.
- Staff are frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.
- We have educated out staff on the appropriate use of Personal Protective Equipment (PPE).
- Group activities have been suspended and staff are providing individual and in-room activities.
- Housekeeping is performing regular deep cleaning throughout the facility.
- Families may communicate with residents by phone, text, email or FaceTime. The facility staff is available to facilitate this process.

Please continue to check our website (creeksideterracerehab.com) for updates. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19 as well as when three or more residents and/or staff present with new onset of respiratory symptoms that occur within 72 hours.

If you have any questions or concerns please contact us directly 254-831-6200

Sincerely,

Wendy Bell
Administrator

WEEKLY UPDATE

June 26, 2020

Dear Residents and Families/Representatives,

WEEKLY UPDATE

June 4, 2020

Dear Residents and Families/Representatives,

We want we want you to know that the staff at Creekside Terrace Rehabilitation continues to work hard to keep our residents safe and we are still following all recommendations of our federal, state and local health officials to prevent the spread of COVID-19.

CURRENT COVID STATUS

We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility. We tested all residents and staff on May 21-22, 2020. Our results indicated negative results for all staff and negative results for all residents except one who had to be retested due to a faulty test.

WHAT CREEKSIDE IS DOING

- Only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering.
- Our residents are continually monitored and staff is using PPE as recommended by the CDC.
- Staff are frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.
- We have educated our staff on the appropriate use of Personal Protective Equipment (PPE).
- Group activities have been suspended and staff are providing individual and in-room activities.
- Housekeeping is performing regular deep cleaning throughout the facility.
- Families may communicate with residents by phone, text, email or FaceTime. The facility staff is available to facilitate this process.
