

WEEKLY UPDATE

July 14, 2020

Dear Residents and Families/Representatives,

We want we want you to know that the staff at Creekside Terrace Rehabilitation continues to work hard to keep our residents safe and we are still following all recommendations of our federal, state and local health officials to prevent the spread of COVID-19.

CURRENT COVID STATUS

We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility. We tested all residents and staff on May 21-22, 2020. Our results indicated negative results for all staff and negative results for all residents.

WHAT CREEKSIDE IS DOING

- Only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering.
- Our residents are continually monitored and staff is using PPE as recommended by the CDC.
- Staff are frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.
- We have educated out staff on the appropriate use of Personal Protective Equipment (PPE).
- Group activities have been suspended and staff are providing individual and in-room activities.
- Housekeeping is performing regular deep cleaning throughout the facility.
- Families may communicate with residents by phone, text, email or FaceTime. The facility staff is available to facilitate this process.

Please continue to check our website (creeksideterracerehab.com) for updates. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19 as well as when three or more residents and/or staff present with new onset of respiratory symptoms that occur within 72 hours.

If you have any questions or concerns please contact us directly 254-831-6200

Sincerely,

Wendy Bell

REHABILITATION

COVID NOTIFICATION/UPDATE

July 19, 2020

To Our Valued Residents, Families and Representatives:

Over the weekend we received confirmation that one staff member tested positive for COVID-19. While we were disappointed to receive these results since we have worked so hard to prevent the transmission of COVID-19 in our facility, we know that we are dealing with an extremely contagious virus. Rather than be discouraged, we are going to focus our efforts on taking all necessary steps to protect our residents and staff from further spread of COVID-19.

We are committed to eliminating this virus from our facility and we will continue to implement and practice enhanced safety precautions recommended by our federal, state and local health officials, such as, only allowing essential personnel inside the facility, performing regular screenings for signs and symptoms of illness prior to entering the building, continually monitoring residents, performing regular deep cleanings, using PPE as recommended by the CDC, providing individual activities as opposed to group activities, implementing isolation protocols as required, and reminding and encouraging staff to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community.

As a reminder, we will post updates on our facility website at www.creeksideterracerehab.com and we will individually notify representatives/families regarding a resident's condition if he/she tests positive for COVID-19 or is displaying symptoms of COVID-19. If you have any questions or concerns please contact us directly at 254-831-6200.

Sincerely,

Wendy Bell

WEEKLY UPDATE

July 24, 2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 0 residents and 1 staff member test positive for COVID-19.

Over the weekend (July 18, 2020), we received confirmation that one staff member tested positive for COVID-19. While we were disappointed to receive these results since we have worked so hard to prevent the transmission of COVID-19 in our facility, we know that we are dealing with an extremely contagious virus. Rather than be discouraged, we are going to focus our efforts on taking all necessary steps to protect our residents and staff from further spread of COVID-19. Residents and staff have been tested and we are awaiting results. Residents who were affected by the exposure are currently being isolated to minimize the risk of transmission of the virus.

As you might already know, the federal government announced last week that it is going to send point-of-care testing supplies for COVID-19 to all skilled nursing facilities in the country. We hope this means better access to testing and faster results for our staff and residents, but we will keep you posted as we get more information and details on this development. As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 254-831-6200.

Sincerely,

Wendy Bell
